THE LAW OFFICE OF BARTON MORRIS SUPPORTS STARFISH FAMILY SERVICES IN ONGOING DIAPER DRIVE

INABILITY TO PURCHASE DIAPERS IS LEADING CAUSE FOR DOMESTIC VIOLENCE

ROYAL OAK, MI - The Law Office of Barton Morris has long had a solid reputation for representing clients in domestic violence matters. So, they are now partnering with Starfish Family Services in Inkster to address an issue directly related to this. Along with a \$500 contribution, Barton Morris is helping to get the word out about Starfish's diaper drive and its grave importance.

Barton has been practicing domestic violence defense for 20 years, yet he was shocked to learn that the inability to purchase diapers is the leading cause of domestic violence. Diapers are costly, and children cry when they need a diaper change. Combine these two factors with underprivileged parents who care about their children and you've got a recipe for disaster.

One infant/toddler uses around 12 diapers per day. All totaled, this averages to \$100 per month, per child. For lower income families, this is a huge strain on an already tight budget. And right now, there are 12,000 infants in Wayne County alone in need of diapers. Through the diaper drive, Barton Morris and Starfish Family Services hope to put an end to this injustice. They have set a goal of 500 multipacks of diapers and wipes and are working furiously toward meeting and exceeding this goal.

They're encouraging interested parties to drop off diapers and/or wipes at the **Starfish Headquarters at 30000 Hively, Inkster, 48141**. Or they can visit the **Law Office of Barton Morris website at <https://www.michigancriminalattorney.com>** to find out how to donate to raise funds for this important, but often overlooked, cause.
